

2007 United States Mint Presidential \$1 Coin Proof Set Available June 21

June 15, 2007

WASHINGTON — The United States Mint today announced that the official United States Mint Presidential \$1 Coin Proof Set, containing the new Presidential \$1 Coins honoring George Washington, John Adams, Thomas Jefferson and James Madison, will be available beginning at noon on June 21, 2007, for \$14.95.

This set contains the first four Presidential \$1 Coins, all struck multiple times with specially polished dies to create the brilliant, sharp relief and mirror-like background of a proof coin. Their frosted, sculpted foregrounds give them a special “cameo” effect, created by the exacting proof process.

To order the 2007 United States Mint Presidential \$1 Coin Proof Set online, visit the United States Mint’s secure website at <http://catalog.usmint.gov>. To order by telephone, call 1-800-USA-MINT (872-6468). Hearing- and speech-impaired customers with TTY equipment may order by calling 1-888-321-MINT (6468).

As an added convenience, customers can participate in the United States Mint Online Subscription Program in which specific products, such as the United States Mint Presidential \$1 Coin Proof Set, are charged and shipped automatically as each set is released. Congress authorized and the President signed the Presidential \$1 Coin Act of 2005 (Act). The Act requires the Secretary of the Treasury to mint and issue \$1 coins honoring the United States Presidents in the order in which they served, with four new designs annually.

Each President will be honored with a single Presidential \$1 Coin, regardless of the number of consecutive terms he served, except for Grover Cleveland, the only United States President to serve non-consecutive terms. He will be honored on two coins. No living, former or current President can be honored on a coin.
